Jamie, Jim, Attached is a copy of a letter sent to you today via FedEx responding to the EPA's 104(e) information request relating to the Norphlet Superfund Site. I did not include the attachments to the letter in this e-mail, but can do so if you desire. They are rather voluminous and assume that you would prefer to wait to receive the hard copies in the FedEx package that each of you will receive tomorrow. If you do want the attachments electronically, let me know and I will send them to you in pdf format.

Thank you,

Rob Dougherty
